LEARNING OUTCOMES:

Participants will be able to:

- Engage in experiential learning by moving around and exploring > 1,000 exhibits on science concepts in our exhibition gallery through our specially designed Amazing Race programme!
- Step into Science Centre's largest ever exhibition combining Sixth Extinction and Dinosaurs of Patagonia. Exploring the five mass extinctions in Earth's history while examining the current extinction crisis, known as the Sixth Extinction.
- Experience Science Centre Singapore's very own Fire Tornado show and be in awe of how fire can be initiated!
- Learn about the history of the pioneers of humankind that has contributed to the advancement of society through our Energy Titans Show!
- Be treated to an immersive experience at the Omni-Theatre, Singapore's only and South-East Asia's first 8K digital dome theatre
